AIR QUALITY REGULATIONS

SECTION 24 - SAMPLING AND TESTING - RECORDS AND REPORTS

- 24.1 Any person operating any article, machine, equipment, or other contrivance for which registration is required by these Regulations, shall permit the CONTROL OFFICER, or his agent to install and maintain sampling and testing facilities as are reasonable and necessary for measurement of emissions of air contaminants. Where existing facilities for sampling or testing are inadequate, the CONTROL OFFICER may, in writing, require the Registrant to provide and maintain access to, such facilities as are reasonably necessary for sampling and testing purposes by the CONTROL OFFICER, or his authorized agent, in order to secure information that will disclose the nature, extent, quantity, or degree of air contaminants discharged into the atmosphere from the article, machine, equipment, or other contrivance described in the Registration form or records.
- 24.2 The owner or operator of any point source as defined in Title 40 CFR, Part 51.1, Paragraph (k), published in the Federal Register on November 25, 1971, shall maintain records of the nature and amounts of emissions from such source and/or any other information as may be deemed necessary by the CONTROL OFFICER to determine whether such source is in compliance with applicable emission limitations or other CONTROL MEASURES.
- 24.3 The information recorded shall be summarized and reported to the Control Officer on forms furnished by the CONTROL OFFICER and shall be submitted as part of the registration renewal requirements as provided in Subsection 15.5 of these Regulations.
- 24.4 Information recorded by the owner or operator and copies of the summarized reports submitted to the CONTROL OFFICER shall be retained by the owner or operator for two years after the date on which the pertinent report is submitted.
- 24.5.1 Emission data obtained pursuant to these Regulations from owners or operators of stationary sources to which air quality standards shall apply shall be correlated with applicable emission limitations and other CONTROL MEASURES and will be available to the public during normal business hours at
