Center Helps Residents Get Ready for the Holidays Paradise Hosts Tree Trimming, Recipe Exchange in November

For many residents, the beginning of November also accounts for the beginning of the holiday season. Paradise Recreation Center, 4775 McLeod Drive, will host two events aimed at getting neighbors in the holiday mood. Residents can start planning their holiday dinners with a recipe exchange from 6:30 to 8 p.m. Nov. 3 and start getting tree trimming ideas as they deck the halls from 5 to 6:30 p.m. Nov. 18. Both events are free.

The Thanksgiving Recipe Exchange allows neighbors to share family recipes and bring samples to let everyone try a taste. **Attendees need to register no later than Oct. 27 to participate.** The event is designed for ages 18 and older.

Residents can help the staff at the recreation center decorate for the holidays and borrow some of their ideas to use at home. Attendees will participate in an old-fashioned tree trimming and lots of festive cheer.

Those interested in either of these holiday events can call the Paradise Recreation Center at 455-7513 or visit the Web site at www.accessclarkcounty.com/parks.

Clark County is a dynamic and innovative organization dedicated to providing top-quality service with integrity, respect and accountability. With jurisdiction over the world-famous Las Vegas Strip and covering an area the size of New Jersey, Clark is the nation's 15th-largest county and provides extensive regional services to more than 2 million citizens and 44 million visitors a year. Included are the nation's 7th-busiest airport, air quality compliance, social services and the state's largest public hospital, University Medical Center. The county also provides municipal services that are traditionally provided by cities to almost 900,000 residents in the unincorporated area. Those include fire protection, roads and other public works, parks and recreation, and planning and development. In 2009, Clark County celebrates a "century of service."
