Laughlin Aquatics Center Hosts Night Swim Swim Hours Shift for Week of July 13

The Laughlin Aquatics Center, 3790 S. James Bilbray, recently announced a shift in hours for the week of July 13 as well as a special evening swimming event.

Mateys of all ages can invade the center from 5 to 8 p.m. July 16 for a pirate-themed night swim event. When residents are cooling off in the pool, they can participate in three games including a duck race, limbo and treasure hunt. Live music and decorations will make everyone feel like a pirate. Admission is \$3 for adults, \$2 for children and \$1 for seniors.

Due to the program break week for swim lessons July 14-16, the aquatics center will not offer lap swim after 4 p.m. Water fitness and swim team classes will continue their morning classes as per usual. There will be no open swim on July 16 and 17. Normal programming will resume on July 18.

Those interested in either the night swim or the changing hours can call the Laughlin Aquatics Center at 299-9955 or visit the Web site at www.accessclarkcounty.com/parks.

###

Clark County is a dynamic and innovative organization dedicated to providing top-quality service with integrity, respect and accountability. With jurisdiction over the world-famous Las Vegas Strip and covering an area the size of New Jersey, Clark is the nation's 15th-largest county and provides extensive regional services to more than 2 million citizens and 44 million visitors a year. Included are the nation's 7th-busiest airport, air quality compliance, social services and the state's largest public hospital, University Medical Center. The county also provides municipal services that are traditionally provided by cities to almost 900,000 residents in the unincorporated area. Those include fire protection, roads and other public works, parks and recreation, and planning and development. In 2009, Clark County celebrates a "century of service."
