OVERNIGHT CLOSURE TO IMPACT DECATUR BOULEVARD
AT THE 215 IN VALLEY'S SOUTHERN REGION

Feb. 4, 2008

Release No. 02/01/08

Who: The contractor for the county's 215 improvement project (Decatur Boulevard to I-15)

What: has scheduled an overnight closure,

Where: which will impact Decatur Boulevard at the 215 in the valley's southern region

When: from 9 p.m. Thursday to 5 a.m. Friday.

Additional information: During this closure, southbound Decatur's motorists will only be able to access the westbound 215 while at the same time, northbound Decatur's motorists will only be able to access the eastbound 215.

While the closure is in place, the westbound 215's motorists will only be able to access northbound Decatur, while the eastbound 215's motorists will only be able to access southbound Decatur.

During the closure, no one will be allowed to travel on Decatur as it passes under the bridge structures at the 215.

This overnight closure is necessary to accommodate construction personnel as they continue to complete the necessary work needed for the widening of the interchange's current bridge structures.

While this work is being done, motorists, who normally use this section of Decatur Boulevard, are highly encouraged to use an alternate route. By using an alternate route, motorists will help minimize the area's traffic congestion, and possibly avoid potential delays.

Contact: Bobby Shelton, 455-6030
