

STATE QUESTION NO. 6

Amendment to the *Nevada Constitution*

FULL TEXT OF THE MEASURE

RAISE THE MINIMUM WAGE FOR WORKING NEVADANS

EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

THE PEOPLE OF THE STATE OF NEVADA DO ENACT AS FOLLOWS:

Section 1. Title.

This Measure shall be known and may be cited as “**The Raise the Minimum Wage for Working Nevadans Act.**”

Section 2. Findings and Purpose

The people of the State of Nevada hereby make the following findings and declare their purpose in enacting this Act is as follows:

1. No full-time worker should live in poverty in our state.
2. Raising the minimum wage is the best way to fight poverty. By raising the minimum wage from \$5.15 an hour to \$6.15 an hour, a full-time worker will earn an additional \$2,000 in wages. That’s enough to make a big difference in the lives of low-income workers to move many families out of poverty.
3. For low –wage workers, a disproportionate amount of their income goes toward cost of living expenses. Living expenses such as housing, healthcare, and food have far outpaced wage levels for Nevada’s working families.
4. In our state, 6 out of 10 minimum wage earners are women. Moreover 25 percent of all minimum wage earners are single mothers, many of whom work full-time.
5. At \$5.15 an hour, minimum wage workers in Nevada make less money than they would on welfare. When people choose work over welfare, they become productive members of society and the burden on Nevada taxpayers is reduced.
6. Raising the minimum wage from \$5.15 an hour to \$6.15 an hour affirms Nevadan’s beliefs that we value work, especially the difficult jobs performed by hotel maids, childcare workers, and nursing home employees. We need to make sure the workers who are the backbone of our economy receive fair paychecks that allow them and their families to live above the poverty line.

Section 3.

Article 15 of the Constitution of the State of Nevada is hereby amended by adding thereto a new section to read as follows:

Sec. 16. Payment of minimum compensation to employees.

- A. Each employer shall pay a wage to each employee of not less than the hourly rates set forth in this section. The rate shall be five dollars and fifteen cents (\$5.15) per hour worked, if the employer provides health benefits as described herein, or six dollars and fifteen cents (\$6.15) per hour if the employer does not provide such benefits. Offering health benefits within the meaning of this section shall consist of making health insurance available to the employee for the employee and the employee's dependents at a total cost to the employee for premiums of not more than 10 percent of the employee's gross taxable income from the employer. These rates of wages shall be adjusted by the amount of increases in the federal minimum wage over \$5.15 per hour, or, if greater, by the cumulative increase in the cost of living. The cost of living increase shall be measured by the percentage increase as of December 31 in any year over the level as of December 31, 2004 of the Consumer Price Index (All Urban Consumers, U.S. City Average) as published by the Bureau of Labor Statistics, U.S. Department of Labor or the successor index or federal agency. No CPI adjustment for any one-year period may be greater than 3%. The Governor or the State agency designated by the Governor shall publish a bulletin by April 1 of each year announcing the adjusted rates, which shall take effect the following July 1. Such bulletin will be made available to all employers and to any other person who has filed with the Governor or the designated agency a request to receive such notice but lack of notice shall not excuse noncompliance with this section. An employer shall provide written notification of the rate adjustments to each of its employees and make the necessary payroll adjustments by July 1 following the publication of the bulletin. Tips or gratuities received by employees shall not be credited as being any part of or offset against the wage rates required by this section.***
- B. The provisions of this section may not be waived by agreement between an individual employee and an employer. All of the provisions of this section, or any part hereof, may be waived in a bona fide collective bargaining agreement, but only if the waiver is explicitly set forth in such agreement in clear and unambiguous terms. Unilateral implementation of terms and conditions of employment by either party to a collective bargaining relationship shall not constitute, or be permitted, as a waiver of all or any part of the provisions of this section. An employer shall not discharge, reduce the compensation of or otherwise discriminate against any employee for using any civil remedies to enforce this section or otherwise asserting his or her rights under this section. An employee claiming violation of this***

section may bring an action against his or her employer in the courts of this State to enforce the provisions of this section and shall be entitled to all remedies available under the law or in equity appropriate to remedy any violation of this section, including but not limited to back pay, damages, reinstatement or injunctive relief. An employee who prevails in any action to enforce this section shall be awarded his or her reasonable attorney's fees and costs.

- C. As used in this section, "employee" means any person who is employed by an employer as defined herein but does not include an employee who is under eighteen (18) years of age, employed by a nonprofit organization for after school or summer employment or as a trainee for a period not longer than ninety (90) days. "Employer" means any individual, proprietorship, partnership, joint venture, corporation, limited liability company, trust, association, or other entity that may employ individuals or enter into contracts of employment.*
- D. If any provision of this section is declared illegal, invalid or inoperative, in whole or in part, by the final decision of any court of competent jurisdiction, the remaining provisions and all portions not declared illegal, invalid or inoperative shall remain in full force or effect, and no such determination shall invalidate the remaining sections or portions of the sections of this section.*
